FEDERAL RESERVE BANK
of CLEVELAND

SUMMER INTERNSHIP

Experience that will build your career

At the Cleveland Fed, we have a variety of paid, full-time summer internship opportunities that allow you to apply your classroom learning in a position that will give you the opportunity to do hands-on work. Some highlights of our program include

- Professional mentoring relationship with a team member in your area
- Professional development opportunities
- Mocktail networking event to meet senior leaders and managers
- Intern project expo to showcase your work
- Lunch meetings with Bank leaders

Majors

Accounting, business administration, computer science, economics, finance, HR/org leadership, IT, journalism, public relations, public policy, statistics, and other related majors

Requirements

Full-time students who have completed their sophomore year or above, attend an accredited college or university, and meet the following criteria: preferred GPA of 3.0 or higher, actively pursuing bachelor's master's or doctorate; and at least one semester remaining in school upon completion of internship

Posting period

September 1 – October 31

Application process

Apply online at www.clevelandfed.org/careers
